March 25, 2019

Dear Industry Member:

Once again, the Washington Glass Association Board is pursuing a **WGA Third or More Scholarship**.

Currently, we are offering three scholarships:

- (1). The WGA Golf Funded Scholarship in the amount of \$2,046.00 which is funded from scholarship donations received during our 2018 WGA Golf Tournament. This scholarship is completely funded by our 2018 golfers.
- (2). The WGA General Fund Scholarship in the amount of \$1,000.00, funded by the WGA.
- (3). We also offer a **WGA Third or More Scholarship funded by our industry**. Consider making a scholarship donation in honor of your company's anniversary, or someone else's business anniversary, an employee's retirement, in memory of an industry member or just because you would like to see someone connected to our industry have this kind of educational opportunity.

If you are interested in making a donation to the Washington Glass Association's **Third or More Scholarship**, please complete the form below and send it to the address above along with a check payable to the Washington Glass Association and your funds will go towards the **WGA Third or More Scholarship**. We will promote your company and the reason for your scholarship contribution. It is possible for you to give anonymously.

A special thank you to the following companies who donated to last year's **WGA Third or More Scholarship totaling \$950.00**: Herzog Glass; Window Tech., Inc.; Walters and Wolf; Patricia Hernandez and Oldcastle BuildingEnvelope.

The scholarship application and pictures of last year's scholarship winners are posted on our website's scholarship page at <http://www.wg-a.org/scholarships.htm>. Our scholarship judge is a non-industry related judge.

Thank you,

Bernie Thueringer, WGA Scholarship Chair  
Pacific Glass, Inc., Renton, WA

Deadline for Donations: May 31, 2019
