April 1, 2020

Dear WGA Member,

COVID-19 won't stop the WGA in continuing our Scholarship Awards for 2020!

Last year the WGA awarded a total of \$6,511.00 in scholarship dollars.

We are offering the following scholarship opportunities for 2020:

(1). In 2019, our membership donated a total of \$3,465.00 for the **WGA Third or More Scholarship!** *Last year was the first year the **Third or More Scholarship** became our First Place Scholarship.*

If you are interested in making a donation to the Washington Glass Association's **Third or More Scholarship**, please complete the form below and return it to the WGA office with a credit card number or check payable to the Washington Glass Association. We will promote your company as a donor of this scholarship. If you are making a donation in honor of a person, a company, or an event, be sure to complete that portion of the form below. By the way, it is possible for you to give anonymously.

A special thank you to the following companies who donated to last year's **WGA Third or More Scholarship**. See list: <http://www.wg-a.org/scholarships.htm>.

(2). The **WGA Golf Funded Scholarship** in the amount of \$2,138.00 which is funded from exact scholarship donations received during our 2019 WGA Golf Tournament. This scholarship is completely funded by our 2019 golfers.

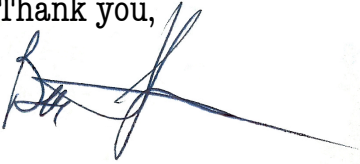

(3). The **WGA General Fund Scholarship** in the amount of \$1,100.00, funded by the WGA. The additional \$100.00 is a donation made by the WGA last year in memory of Bonnie George, wife of Bill George, General Storefronts who passed away in 2019.

(4). An additional opportunity to donate – A company can make a donation of \$1,000.00 or more with their name attached to a stand alone Scholarship Award.

Our scholarship judge is a non-industry related judge.

See link for a look back to our 2019 Scholarship Awards and Table Top Night:
