

The Washington Glass Association Presents...

DESIGNING COMMERCIAL BUILDINGS WITH SECURITY GLASS

WGA Scholarship Awards Night & Table Top Night
Thursday, June 26, 2014
Embassy Suites, Tukwila

5:30 pm Social/Table Top — 6:30 pm Dinner/Program

Dinner: Members \$50.00/Non-Members \$70.00

Table Top: \$100.00 Limited Space

Reservation Deadline: Tuesday, June 24, 2014. Refunds through deadline. WGA bills for no-shows.

Speaker: **Hernán Gil**, Director of Business Development with **Global Security Glazing** (GSG). Prior to GSG, Hernán worked over ten years for Solutia, a manufacturer of interlayers for the laminated glass industry. Global Security Glazing offers products that are fully tested to specific standards and threat levels including all-glass laminates, glass-clad polycarbonates and laminated polycarbonates.

Program Topic: **Designing Commercial Buildings with Security Glass**, with a focus on forced entry, bullet resist and bomb blast applications, associated tests, products and protection levels.
