For our first Washington Glass Association meeting of the year, join us to hear Chris Fronsoe who is the Global Sales Manager with ICD High Performance Coatings located in Ridgefield, WA.

Here is what Chris will be covering:

- The difference between silicone opacifiers and other materials used on spandrel glass.
- The environmental durability of applied silicone opacifiers.
- Considerations when specifying silicone opacifiers on spandrel glass.
- Advantages of using silicone opacifiers in design.
