Washington Glass Association Celebrated 30th Year Anniversary

By Maryanne Howell, Executive Director

On Thursday, June 27, 2013, the Washington Glass Association celebrated its 30th Year Anniversary at the Embassy Suites in Tukwila, Washington.

The evening celebration was a busy one that included three great educational glass industry speakers; eleven table top displays; a Special Recognition Award to Gary Towndrow, RGA Architectural Sales presented by Jerry Larson, Larson Glass Company; two WGA Scholarship Awards totalling \$2,500.00; a word from our Scholarship Judge, a representative of Northwest Harvest; fantastic door prizes from our table top displayers and a quick tour down memory lane. Whew, what a night...and I didn't even mention the gold and green balloons and the festive buffet.

The three industry speakers included Ed Howell, Hartung Glass who spoke on Pilkington MirroView; Jeff Kersten with View on Electrochromic; and Bill Coady, Guardian on the topic of Guardian 4th Surface Low-E.
